

G360 SUPER FAST FINISH.

Product Description

G360 Super Fast Finish used with a G Mop Flexible Black Finishing Foam easily glides over the surface, eliminating swirl marks and other minor defects rapidly and with little effort, leaving an enhanced deep gloss finish. Transparent in use, the operator is able to see the permanent results.

Ideal for darker colours, after using G360 Super Fast Compound system.

To remove sanding marks, start with the G360 Super Fast Compound System before finishing with G360 Super Fast Finish.

Product Information

Size	Code	Ctn Qty
1 ltr	SFF101	6

Key Benefits

ULTRA HIGH GLOSS	Polishes the surface leaving a clean, deep gloss finish
ELIMINATES SWIRLS	Fine abrasive content removes minor defects, restores dulled and oxidised surfaces
MINIMAL WIPING	Bufs off in use to leave a stunning gloss with minimal wiping required
PERMANENT	No fillers which means no reworks
ERGONOMIC	Glides easily over surfaces thanks to G Mop Flexible Back Plate and pads
