

# PROFILE ADVANCED PLUS

Liquid Compound

## PRODUCT DESCRIPTION

Offering the highest level of cut and gloss on painted surfaces and wood lacquers Profile Advanced Plus commands a higher price than other Profile compounds, but is less likely than others to require a second finishing step - a much appreciated time saving in high volume accounts.

Used on a G Mop Lambs Wool Pad or G Mop Yellow Compounding Foam, Profile Advanced Plus is capable of leaving a swirl and hologram free finish on lighter colours.

Optionally on dark colours, depth of gloss can be further enhanced by the use of Profile Finish on a G Mop Black Finishing Foam.

## PRODUCT INFORMATION

Size	Code	Ctn Qty
1 US gallon	<b>PRA118</b>	2

## KEY BENEFITS

<b>REDUCED SANDING</b>	Finer grades than P1500 are not required, saving time and money.
<b>NEW TECHNOLOGY</b>	Latest generation abrasive technology provides visibly faster cut than competitors, and the product develops a transparent film that gives the user the control of seeing the abrasive paper marks disappearing.
<b>HIGH GLOSS RESULT</b>	Gives a high shine finish with good depth and clarity, so step 2 finishing less frequently required.
<b>PAINTSHOP FRIENDLY</b>	Product contains no silicones.
<b>PERMANENT</b>	Profile Advanced Plus contains no fillers, so gives permanent results, maintaining customer satisfaction and avoiding costly reworks.

## USE WITH

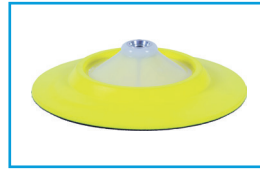

### Stage 1: HIGH CUT

G Mop Lambs  
Wool Pad  
**GML301** (3" / 75mm)  
**GML601** (6" / 150mm)  
**GML801** (8" / 200mm)

G Mop High Cut Pads  
**GMC318** (3" / 75mm)  
**GMC609** (6" / 150mm)  
**GMC818** (8" / 200mm)

G Mop Flexible Back  
Plate for 8" Pads  
**GMB814** (14mm thread)  
**GMB858** (5/8" thread)  
**GMB816** (16mm thread)

G Mop Flexible Back  
Plate for 6" Pads  
**GMB146** (14mm thread)  
**GMB586** (5/8" thread)  
**GMB166** (16mm thread)

### Stage 2: MEDIUM CUT

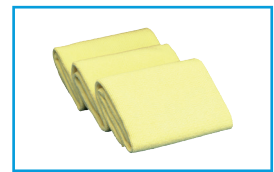

G Mop Yellow  
Compounding Pad  
**GMC312** (3" / 75mm)  
**GMC612** (flexible 150mm)
