DESCRIPTION:

Metal Polish is a metal restoration cleaner and polish designed to eliminate surface oxidation, brake dust and oily residue from all vehicular metalwork. Treated surfaces will shine and exhibit a mirror-like finish. This advanced formula contains micro-abrasives that will neither scratch nor damage most metals.

DIRECTIONS:

SHAKE WELL BEFORE USING. Apply a dab of polish and gently rub surface until desired level of gloss is achieved. May require multiple applications. Wipe surface with a clean, soft cloth to remove any haze and debris.

FEATURES & BENEFITS:

- Cleans and shines metal
- Contains micro-abrasives to safely remove surface oxidation without scratching
- For use on chrome, aluminum, stainless steel and other metals

PACKAGE SIZES:

16 fl. oz.

Part # 135416
