

ULTRA CONCENTRATED CAR WASH CAR WASHES

DESCRIPTION:

Ultra Concentrated Car Wash combines an environmentally-friendly formula with thick, rich suds to eliminate road film and common automotive soils quickly, easily and thoroughly.

DIRECTIONS:

For best results dilute solution 1:400 to deliver optimal cleaning performance and thick, rich suds. Apply soap liberally to vehicle surface using a wash mitt, wash sponge or car wash brush. Rinse thoroughly. Dry with a chamois or soft clean towel.

FEATURES & BENEFITS:

- Great suds at 1:400 dilution
- Biodegradable formula
- Safely and effectively removes road film, dirt and salt

PACKAGE SIZES:

Gallons	Part # 138101
5-Gallon	Part # 138105
